The Havana Cuba All-Stars
Perform
“Cuban Nights”

Comprised of Cuba’s greatest and most prominent musicians, this 11-member band makes its debut tour of the United States with “Cuban Nights.” Drawing inspiration from traditional Cuban Son—a genre which later gave way to salsa—the program’s infectious melodies and rhythms showcase the rich cultural diversity of the Cuban people.

Staying true to an acoustic base, the band has developed a fresh sound with inventive songwriting, and has preserved the traditions of the Cuban musical art form. The “Cuban Nights” program is representative of the extraordinary musical legacy of this wonderful country.
